Class of 1983:

Similar to all the classes who preceded you, the Class of 1983 has left its mark on Dighton-Rehoboth. Most of you graduate from Dighton-Rehoboth having attended Dighton and Rehoboth schools for eight years prior to entering D-R. Everyone in the system is pleased to have been associated with you and been of assistance to you as you developed and matured into responsible citizens.

We wish you every success in all of your future endeavors. Good luck.

Joseph C. Harrington, Ed.D.
Superintendent of Schools

To the Class of 1983:

We hope that you are well prepared to meet the challenge that you must face in the years ahead. There is little else that your school can do for you now. During these past four years, we have attempted to help you develop your best talents, skills and abilities. Now the time has arrived for you to apply those traits where they will make the most effective contributions to society.

We wish you success and happiness in the years ahead. We have enjoyed working with you during these past four years.

Marshall Sawyer
Principal

Congratulations and best wishes to the Class of 1983. Look back with fond memories and look forward with hope and promise. May your lives be filled with happiness and peace.

Francis M. Marcille
Assistant Principal
Director of Occupational Education

Best wishes to the graduates of the Class of 1983. For some of you your formal education had ended, but for all of you there is now a responsibility to apply what you have learned. The ability and need to make thoughtful decisions will be your challenge each and every day. It is my wish that you are successful in meeting those challenges and that you enjoy a long, healthy and successful life.

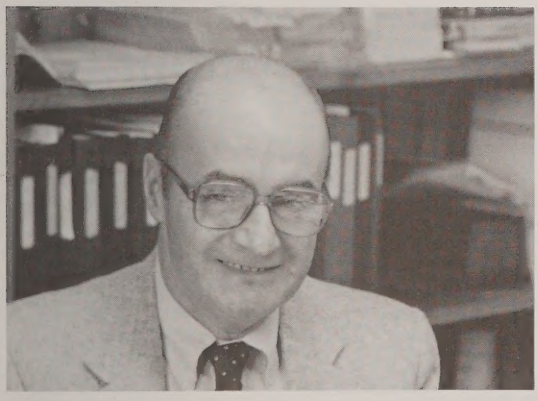
George H. Petrin
Assistant Principal

Barbara Streisand sings: "A new day has begun."

Your high school years have now drawn to a close. You are beginning to live your adult life and to pursue your career plans, your dreams for the future. I wish you the very best as this new day begins.

I issue you an old Irish blessing: "May God hold you in the palm of His hand until we meet again."

William F. Henry
Director of Guidance



James Horton
Business Administrator

The goal of all Special Educational Programming is to prepare the student to become a happy, self-sufficient, contributing member of society. My hope is that we have succeeded. My wish is the same for all of you in the Class of '83.

Go forth and successfully meet the challenges of life.

Russell F. Latham
Director of Special Services

We May Never Pass This Way Again

Life, so they say, is but a game
And they let it slip away.
Love, like the Autumn sun, should be dying
But it's only just begun.
Like the twilight in the road up ahead,
They don't see just where we're goin',
And all the secrets of the universe
Whisper in our ears
And all the years will come and go
And take us up, always up.

We may never pass this way again.
We may never pass this way again.
We may never pass this way again.

Dreams, so they say, are for the fools
And they let them drift away.
Peace, like the silent dove, should be flyin'
But it's only just begun.
Like Columbus in the olden days,
We must gather all our courage;
And Sail our ships out on the open sea,
Cast away our fears
And all the years will come and go
And take us up, always up.

refrain

So, I wanna laugh
While the laughin' is easy
I wanna cry
If it makes me worthwhile.
We may never pass this way again.
That's why I want it with you.
You make me feel like
I'm more than a friend.
Like I'm the journey
And you're the journey's end.
We may never pass this way again.
That's why I want it with you.

refrain

"Bump! Set! Spike!" The volleyball team enjoyed an enthusiastic season this year. With Coach Laffoley's support, co-captains Pauline Monteiro and Sharon Wheeler led the team to a successful season. Michelle Masse and Heidi Ficorilli were two other senior starters who should also be commended for their hard work and athletic ability. Next year's team should do well after observing the poise and experience displayed on this year's court.

The field hockey team returned in numbers with strength and experience this year, and fought its way to another championship season. Their strategy of stamina and stickwork, in combination with desire and team spirit, brought them an undefeated league record of 7-0-3, an overall record of 10-1-3, and a position in the state tourney, where they received their first loss. Congratulations to the team for their success and good-bye to Colleen, Jennifer, Liz, Donna, and Donna, our senior members.

Coach Marsden had many returning runners and many newcomers working very hard throughout the season. Captain Jake Horton and co-captains Karl Hjerpe and Paul Lizotte led the team to a divisional record of 4-2.

The 1982-83 Falcon Football Team had a rebuilding year. With only 10 seniors left on the squad, the Falcons were on the short end of seven of their ten ballgames.
Mike Smith was voted MVP and was also picked for the All-League conference team. Other seniors picked for All-League were Ken Mullert, Rick Paulsen, and John Eddy. Mullert was also voted most improved player.
The highlight of the season was the defeat of Dennis-Yarmouth 22-16 in a tremendous downpour. The Falcons' toughest opponent was Wareham. Despite tremendous efforts, the losses were often frustratingly close.

SENIORS

This year's football cheerleading squad consisted of nine seniors, one junior and two sophomores. Three of the nine seniors were three-year participants — Karen Swenson, Tracey Perry, and Pam Cartin. The dedication demonstrated by all twelve, proved to be a major factor in the success of the squad. Although practices began to become monotonous by the end of the week, no one could wait for the excitement that took place on Saturday. The squad would like to extend their thanks to Coach Diane Blackledge for her help throughout the season and for the flowers before the exciting Thanksgiving Day game.

The Winter Concert was a smashing success with performances by both the band and the chorus. Also this winter, the Music Department put on the musical "Scrooge". Both evening and matinee performances were performed and the hard work of the performers was evident in the production.

Neil Horton, Coach Dyer, Steve Grota, Chris Ripley, Coach England, John Pappas

The 1982-83 hockey season was a disappointing one, even though the Falcons won 2 more games than last year. The season was highlighted by the second annual hockey night which this year featured Rick Middleton. The Falcons offensive attack was led by the first line of junior center Howie Inman and senior wings Chris Ripley and Neil Horton. The defense was backed by senior defensemen Bryan Outlaw and Glenn Terry. Senior John Pappas was a well balanced player contributing both offensively and defensively. Between the pipes, Steve Grota was masterful. Facing an average of nearly 50 shots a game his goals against average was about 5.34. The team had some great leadership from co-captains Chris Ripley and John Pappas and asst. captains Steve Grota and Neil Horton. Unfortunately, because of lack of funds, there will be no team next year. The Falcons wish to thank Coaches Dyer and England immensely for all their help. They would also like to thank athletic co-ordinator Bill Reynolds for his help.

The Falcons started the season with four impressive victories. After slumping and losing six of eight games, the Falcons stormed back with three divisional victories. The Falcons seemed tournament-bound until their heart-breaking loss to Bourne. Division all-star John Koss lead the team in scoring and captains Greg Noelte and Mike Smith lead in rebounding. Mark Perry was a consistent scorer and rebounder and Eric Dibiase rounded off the starting five. Other seniors include Mike Andrade and Jim Laporte.

With the first game played two weeks after the start of the first practice, the pressure to learn new cheers and revise old ones was great. Over and over again, cheers were practiced until they reached perfection. The cooperation of all the girls together with their skill and spirit helped make the cheerleading squad a successful one.

Math Team

Although the 1982-83 Math Team failed to make the playoffs, there was a marked improvement over the previous years performance. The team was actually a playoff contender until the final round of the last meet. Members from all the classes combined to give a well-balanced team for the first time in several years. Especially pleasing were the performances of the four junior members, who all enjoyed varsity letter seasons. Seniors Karl Hjerpe and Brian Goudreau are leaving the team this year after earning four letters apiece in their years with the Math Team. Mr. Rabouin and the Math Team are looking forward to a promising 1983-84 season.

The Photography Club offers experienced and nonexperienced students the opportunity to explore the visual possibilities of black and white photography. They are given instruction in the technical aspects of the camera and dark room developing. Photographers are free to use the school's photo lab facilities to develop pictures in their own style and interest.

Media

The students who are members of the Media Club learn about the library. They work with the video machines, photocopier, and film and overhead projectors. These students deliver and set up these machines upon the requests of teachers. Students in the Media Club run errands such as picking up or delivering library material. They also learn how to issue books to other students, file library cards, and file library books.

DECA

The 1982-83 DECA club, led by senior officers Gregg Brazil (pres.), and Frank Lempitsky (vice pres.) had a very successful year at D-R. They participated in many activities throughout the year. They took part in the North Atlantic Regional Conference held in Niagra Falls. They traveled to Hyannis, Massachusetts to complete in the district I conference. They also competed at the state conference which was held in Worchester, Massachusetts. The winners of the state conference are now eligible to go to the Nationals in New Orleans.

The French Club, advised by Mrs. Mahoney, had a very active year. Their activities included a field trip to the French Library in Boston, the traditional taffy pull, cooking a French buffet, and sponsering an assembly for all French Students by inviting a young Parisienne to D-R to talk about teenagers in France. Officers for 1982-83 were Sarah McConville — president, Chris Perra — vice president, Margaret-Ann Abrahamson — Secretary, and Jen Perra — Treasurer.

Student Government

The Student Government is a group of elected students who do various activities for the school. Some of these activities are fundraisers such as the Thanksgiving Day Basket Drive and the Ham and Bean Supper. Money earned from these proceeds goes toward the needy and the Citizens Scholarship Fund. Also, this year's Student Government launched a successful campaign against smoking. They began with the Great American Smokeout Day and followed it up with the help of SAM (smoking dummy) at the elementary and jr. high schools in Dighton and Rehoboth. These programs are a necessary supplement to the D.R. smoking area.

The National Honor Society began the 1982-83 school year with 17 seniors and 10 juniors. By the end of the year 4 more seniors joined the ranks to finish off the year with a total of 31 students. The annual fundraisers of selling Valentines Day Carnations and selling Candy at Basketball Games were a big success and will provide the funds needed for next years induction ceremony.

1982-83 was a year of change for the school newspaper. Published under a new title, **Newstreet,** a diligent staff managed to cover Spirit Week, the basketball season, and the senior college directory, thanks to the constant support of Mr. Levesque who undertook the position of **Newstreet's** advisor. Although co-editors Sarah McConville and Chris Perra never did enjoy the satisfaction of meeting a deadline, some ground was made with the acquisition of an editorial office. Many thanks are extended to Donna Nyzio for designing the letterhead and to all the students who contributed articles.

Sound Impressions is the D-R music department's show choir. It consists of 16 students who have put in hours of hard work preparing for concerts and civic organizations in the community. Their professional performances are testimony to their dedication to music and friendship. The members of Sound Impressions would like to extend a special thank you to Mr. Descouteaux, our advisor, and to Ruth Cleaveland and Patti Dansereau who did all of our choreography.
